

Ward 8 Thrives Seminar Series

Ward 8 is home to the largest population of ex-felons and defendants under supervision in the District of Columbia. Returning home and reentering society, or dealing with restrictive release has its challenges but successful reintegration is obtainable with effective services, legislation and community support.

Please come out to learn how you can help Ward 8 citizens in the Ward, and those returning successfully reenter and contribute to Ward 8 communities.

Prisoner Reentry in Ward 8: What Do We Know? What Is Needed?

Wednesday, May 26, 2010
