

REENTRY REFLECTION 2009 UPDATE

Rev. Yvonne Cooper, of Allen Chapel AME Church, served as keynote speaker on Saturday, February 7th, at CSOSA's annual women's reentry program. *The First Steps Homeward: The Real Challenges of Women's Reentry*, was cohosted by Reynolds and Associates, Inc., and held at Fairview Residential Reentry Center and Purity Baptist Church. Participants were provided with a tour of Fairview, which is home to approximately 50 women reentrants. A forum was also held at the church, where panelists addressed issues including housing, healthcare, employment and building healthy family relationships. The event concluded with a Dress for Success fashion show featuring the residents of Fairview.
