The annual observance of Justice Sunday™ in Washington, DC extends the MLK Day of Service Weekend on Justice Sunday™ by launching Reentry Reflections in partnership with Court Services and Offender Supervision Agency. In 2011, the National Alliance of Faith and Justice is also pleased to partner with the National CARES Mentoring Movement in honoring the 25th anniversary of the Congressional appeal by Mrs. Coretta Scott King which enacted the federal holiday as a day of service in honor of the late Rev. Dr. Martin Luther King, Jr. Thousands of interfaith youth and adult drum majors, named and unnamed, served with Dr. King by devoting countless hours and even their lives to make a difference. The honor of your service is requested as a mentor.
