Justification of Proposed Appropriation Language Changes

CSOSA requests a total of \$13,223,000 (\$5,919,000 + \$7,304,000) in Three-Year (FY 2019-2021) funding to initiate space relocations related to Prospectus PDC-03-WA18. The complexity of these moves is considerable and requires significant planning, design and procurement lead-time. For this reason, CSP requests Three-Year funding authority for initial resources necessary to begin this initiative. Additional resources may be required in future years to fund all aspects of the relocation project.
