I've reviewed your FOIA page, your annual report and the Chief FOIA Officer Report on the DOJ OIP website and add 1 onal information on FOIA.gov. At this point, I just need a few records to round out my research and finish my project this semester. Therefore, I would like to request the following records: 1. Your agency's previous (FY21) and current (FY22) contract for you FOIA case processing software with cost informat on included. I'm interested in what your agency expends on this line of business and am analyzing it vs. other agencies to get a sense of what the federal government expends on FOIA software solutions. 2. Any addit onal contracts and costs directly related to FOIA processing (for example, Adobe, V do/Aud o redaction software, contract support). I understand that costs can more than just your FOIA case processing software and want to paint a complete picture with my research. 3. Your agency's Annual Budget for your FOIA team- looking for a total cost of operat on. I have the FTE's and costs from your annual report; however, I'm looking for the actual budget item to add to the analysis. 4. Training materials on FOIA case processing. This could be PowerPoint, Handbooks, Job Aides, V deos, Calendars, etc. I'm interested in comparing how agencies train their FOIA Off cers to work with FOIA software. I've Waived my Request.
